We offer the HELITE Range of Equestrian Air Jackets.

The Original Air Jacket & the New Soft Shell Range.

The Air Shell Range is now fully compliant with BS Rules. The combinations of Tekseries® soft shell outer and the Helite airbag & multi-directional trigger system results in a stylish jacket without compromise

Sold under the brand name Point Two, Helite has revolutionised safety wear for riders.

In 2012, 14 nations were equipped with Helite airbag systems at the London Olympic Games.
